## HEALTH Services

Physical. Mental. Social Well-Being.

**MERIDIAN**  
**HEALTH Services**  
Physical. Mental. Social Well-Being.

**Meridian Health Services** strengthens families and helps adults and children thrive, serving more than 40,000 individuals each year. Meridian's unique approach to healthcare offers patients a medical home in which services for physical, mental and social well-being are integrated to achieve "whole-person" health. This higher quality of care achieves results by coordinating treatments that heal the body and mind for happier, healthier patients.

**Meridian Health Services' commitment to whole-person health provides the following benefits to all patients:**

- Integrated healthcare
- Team approach to treatment
- Health coach
- Increased patient satisfaction
- High quality of care and outcomes
- Patient Centered Medical Home (PCMH)
- Patient convenience
- Easier medication regimens
- Lower costs

**MeridianMD** specializes in family primary medical care integrated with behavioral and social health to achieve the best possible outcome for patients. Doctors, nurses and behavioral health consultants at Meridian coordinate treatments and medications seamlessly to provide a true medical home for families and children.
