Supported Employment

FOR PERSONS WITH DISABILITIES

Physical. Mental. Social Well-Being.

What is Supported Employment?

The Supported Employment program provides competitive work opportunities in an integrated work setting. Our services include:

- Job Readiness
- Job Coaching
- Job Searching
- Job Retention

Linkage to Vocational Rehabilitation services.

The program is committed to helping individuals shift from a dependence on state and federal assistance to a more independent and socially integrated job market.

Benefit Information Network (BIN)

We provide certified BIN professionals who have been trained in and have knowledge of federal, state, and local benefits and work incentives.

BIN liaisons understand the impact of income on long-term supports and services and can advise workers and families on how best to maintain employment while building more financial independence.

Information for Employers

Meridian Health Services' Supported Employment program benefits employers by offering:

- Services at no cost to the employer
- Reducing the time spent hiring and training employees
